

HCI – Healthy Church Initiative: Growing Fruitful Congregations

The Healthy Church Initiative is a process of renewal for growing healthy congregations. This process has experienced a great deal of success in the Missouri Annual Conference, and the Southwest Texas Conference has invited us to be a part of trying it here. The Reading lists and topics for each of the sessions are as follows:

<u>Month</u>	<u>Session Title</u>	<u>Reading</u>
1. September	Orientation	
2. October	Our World Has Changed	ReCreating the Church: Leadership for the Postmodern Age By Richard Hamm
3. November	Aiming Real Leaders at the Mission Field	Direct Hit By Paul Borden
4. January	Personal Leadership	Shaped by God's Heart By Milfred Minatrea
5. February	Streamlining Your Church	Simple Church By Thom Rainer & Eric Geiger
6. March	Focusing Outward	The Externally Focused Church By Rick Rusaw & Eric Swanson
7. April	Preaching / Communication	Communicating for a Change By Andy Stanley & Lane Jones
8. May	Real Life Evangelism	Unbinding the Gospel By Martha Grace Reese
